Nickel and Dimed: On (Not) Getting By in America

Barbara Ehrenreich

Nickel and Dimed: On (Not) Getting By in America Barbara Ehrenreich

The *New York Times* bestseller, and one of the most talked about books of the year, *Nickel and Dimed* has already become a classic of undercover reportage.

Millions of Americans work for poverty-level wages, and one day Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that any job equals a better life. But how can anyone survive, let alone prosper, on \$6 to \$7 an hour? To find out, Ehrenreich moved from Florida to Maine to Minnesota, taking the cheapest lodgings available and accepting work as a waitress, hotel maid, house cleaner, nursing-home aide, and Wal-Mart salesperson. She soon discovered that even the "lowliest" occupations require exhausting mental and physical efforts. And one job is not enough; you need at least two if you intend to live indoors.

Nickel and Dimed reveals low-wage America in all its tenacity, anxiety, and surprising generosity -- a land of Big Boxes, fast food, and a thousand desperate strategies for survival. Instantly acclaimed for its insight, humor, and passion, this book is changing the way America perceives its working poor.
