*If the women on Sex and the City got dates on a daily basis, and even the more normal-looking girls on Girls, then why wasn't I? If I wanted to live the fun, twentysomething life I was destined to live, I was going to have to up my game.*

Ellie used to be a virgin, but now she's a woman with sexual experience. Well, some sexual experience. She also has debt, an unpaid magazine internship, and three flatmates who left her with the single room to match her single status.

That's okay. She doesn't want a boyfriend anyway—she wants several. And if the sex is exciting enough, her ruthless magazine-editor boss can exploit her dating life for a column.

But after countless hookups and forced attempts at seeming sexy backfire, Ellie starts to witness the emotional wreckage she's leaving in her wake. Turns out that sex can be hard—and there's a downside to giving it up too easy...
