The Power of the Vedas- The Spiritual Guide That Was 5500 Years In The Making. Sri Vishwanath
Disillusioned spiritual seekers are about to discover the quickest and surest path to God.

Dan Brown- award winning author of Da Vinci code in his newest volume "The lost symbol" credits the vedanta(the collective term for the upanishads and the vedas) as the source of the world's oldest mystic secrets.

"14 years of ignorance wiped out in a second. This is amazing ! I must say that I am quite amazed at the results that I have experienced within and around me" Narsedalia Lopez

“The Power of The Vedas” captures a truly liberating element in our thought process and how this aspect can have a tremendous impact on how we conduct our lives. The book, both evocative and instructive, will help readers of any age, gender, religion or nationality focus on what is truly meaningful in our outlooks about our existence and then how to use this breakthrough in ways that elevate the consciousness in practical as well as philosophical ways. In providing ample examples on how to effectively distill every sort of input, Both physical and mental, that plays a part in our daily activities, the author sets out a method to fully transform how we view, explore and engage in our activities, relationships, and every part of our lives.
