The Wonderful Wizard of Oz: The Kansas Centennial Edition L. Frank Baum

The Wonderful Wizard of Oz remains one of the world's most beloved and widely read books. Throughout a century of remarkable change, the popularity of L. Frank Baum's classic tale has endured and grown, embraced by generation after generation of children and the young at heart. To honor the centennial of its publication in 1900, the University Press of Kansas is pleased to present this special anniversary edition that combines Baum's original text with the contributions of two renowned artists: book illustrator Michael McCurdy and writer Ray Bradbury. Distinguished by McCurdy's beguiling illustrations and Bradbury's provocative meditation on the Land of Oz, our book also embraces and even celebrates the oft-kidded connection between Baum's wondrous story and the state of Kansas. With good humor and appreciation, then, we are very proud to welcome both Dorothy and Toto back home.
