## Yachting Monthly's Channel Havens: The Secret Inlets and Secluded Anchorages of the Channel (Yachting Monthly's Series) Ken Endean

*Channel Havens* is a cruising guide with a difference. Recognising that many of us would like to sail away from the crowd, Ken Endean introduces the reader to beautiful, unfrequented places within the Western English Channel, from the Solent to the West Country, Channel Islands and Northern France. Here are sandy bays, coves, reef anchorages and the upper reaches of river estuaries - places neglected by most pilot books - where one can experience the sense of discovery and adventure that is more usually associated with faraway cruising.

Anyone who is attracted by the dramatic scenery of unspoilt coastal waters will treasure this guide from an experienced sailors who has gone before.
