## **Black and White** Mr. Kamil Szmerdt

Kamil Szmerdt's "Black and White" is the first part of a series of poems entitled "World of Illusion". The poems are written from the heart, by a young author originally from Poland. Kamil was inspired by day to day life accompanied by love and pain. Every poem is attached to some part of Kamil's life, break up, love, doubts or even just a regular day when we all experience the simplicity of life and pure happiness. Sometimes the very dark side of the life is shown as well; when Kamil thinks it's the end of all, life itself included. Poems that are written with passion and honesty not excluding any detail of his life, a journal to inspire.
