**What You Need** A sexual submissive, Royce wants a woman who'll make his fantasies come true. The last thing he expects on his 1Night Stand is to be paired with Victoria, his ex-best friend. Haunted by their past, he refuses to deny his newfound attraction or his need for answers. This time, he doesn't plan to let her go.

**What You Crave** Sigmund Bermudez has spent the last year out of the BDSM scene, mourning the death of his father and rebuilding the family business. When he loses a bet to his bodyguard that Madame Eve won't locate a woman who's down with his type of kink, he finds himself committed to a date he's not sure he'll enjoy.

**What You Want** When her sister gets sick on the night of her 1Night Stand date, Laney Malcolm is asked to fill in and pretend to be her twin. Treating it as a lark, she looks forward to an adventurous event with a free dinner and not much else. She isn't prepared for the fierce attraction nor the urge to help the Hawaiian, tattooed submissive she's introduced to.

**What You Desire** Lacey Malcolm is searching for the one... She wants a submissive who will love her and all the bad habits she has, including all her OCD tendencies. Second time is the charm... Her first shot at a 1Night Stand date went wrong when she got ill and sent her sister in her place. With another chance, she's sure this time things will work out.
