Digital Marketing

Dave Chaffey, Fiona Ellis-Chadwick

Digital Marketing Dave Chaffey, Fiona Ellis-Chadwick

'I have used this book in all its editions since first publication with my undergraduate and postgraduate students. It is a core text for all the students, because it provides the detail they require at an academic level. Importantly it is a book for the practitioner to use too. This is why we use it on our postgraduate practitioner programmes – where we actually buy the book for the students as we believe it is that important. No other text comes close and literally thousands of our graduates have benefitted from it in their subsequent careers: written by the specialist for the specialist.'

David Edmundson-Bird

Principal Lecturer in Digital Marketing

Manchester Metropolitan University

Now in its sixth edition, **Digital Marketing: Strategy, Implementation and Practice** provides comprehensive, practical guidance on how companies can get the most out of digital media and technology to meet their marketing goals. *Digital Marketing* links marketing theory with practical business experience through case studies and interviews from cutting edge companies such as eBay and Facebook, to help students understand digital marketing in the real world.

Readers will learn best practice frameworks for developing a digital marketing strategy, plus success factors for key digital marketing techniques including search marketing, conversion optimisation and digital communications using social media including Twitter and Facebook.

Dave Chaffey is a digital marketing consultant and publisher of marketing advice site SmartInsights.com. He is a visiting lecturer on marketing courses at Birmingham, Cranfield and Warwick universities and the Institute of Direct Marketing.

Fiona Ellis-Chadwick is a Senior Lecturer in Marketing at the Loughborough University School of Business and Economics, Director of the Institute of Research Application and Consultancy at Loughborough University, academic marketing consultant and author.

From reader reviews:

Richard Glass:

Here thing why this Digital Marketing are different and reliable to be yours. First of all reading through a book is good nonetheless it depends in the content than it which is the content is as scrumptious as food or not. Digital Marketing giving you information deeper and different ways, you can find any e-book out there but there is no book that similar with Digital Marketing. It gives you thrill reading through journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your way home by train. Should you be having difficulties in bringing the branded book maybe the form of Digital Marketing in e-book can be your alternate.

Lacey Clements:

The actual book Digital Marketing will bring you to the new experience of reading a book. The author style to elucidate the idea is very unique. When you try to find new book to study, this book very suitable to you. The book Digital Marketing is much recommended to you to study. You can also get the e-book through the official web site, so you can more readily to read the book.

Charles Payne:

Reading a reserve tends to be new life style on this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this Digital Marketing.

Evelyn Rogers:

Reading a book to be new life style in this calendar year; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you need to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and also soon. The Digital Marketing provide you with a new experience in looking at a book.
