## **Hold Up Hold Up** Kimberly Williams

We've all heard about the crazy stuff that family members do. Well in this book you will see a little of it come to light. Dot and Slick Red have six kids that keep them on their toes. Camille is the sister that you always have to keep an eye on. You never know what to expect with her. Lena is total opposite of her sister. Madison is the eldest girl and the peacemaker. Teddy is the one that never seems to amaze me. Carter is the professional. And last but not least, Monroe is straight hood. You will see how family can be vindictive and conniving towards one another. You will see how families stick together. There are some twist and turns and I hope that you will enjoy every moment of it. If I step on anyone toes with anything I say in this book, well you know the old saying "If the shoe fits, wear it". No seriously I'm not talking about anyone in particular but we all know someone like every person in this book. Enjoy.
