Drama. In a coastal town, three rent boys ply their trade on the seafront. There's the egotist Jason and his loving regular Paul; the happy-go-lucky Carl and the married/retired Henry and then there's Lee - straight, from an abusive background and not cut out for this world or the stern disciplinarian Strickland at all.

Covering the range of human emotion in a world so easily overlooked. Warning: Contains strong language and explicit scenes of a sexual nature throughout. Cover image licensed from Shutterstock. Nor am I a female or atheist.
