The first rule of football--don't screw with a streak.

My career is finally looking up, and I'm leading a new pro team down the field every Sunday. No way will I mess with that. But when I meet the most stunning and captivating woman I've ever seen, I tell myself one night will have to be enough.

But it's not. And now I can't get her out of my mind. Even when I'm playing. Even when I need to focus. Even when I'm on the hottest streak of my life.

And it turns out, she's not just some random woman I met. She works for the team. My team.

I only have one goal this season--do my part as the team's lawyer to keep them out of trouble. Help rebuild their reputation on and off the field. There's no room for error and certainly no room for a secret tryst with a player . . . even if he's the quarterback.

Right?
