The Fabulous Beast

Garry Kilworth

The Fabulous Beast Garry Kilworth

A set of beautifully crafted tales of the imagination by a writer who was smitten by the magic of the speculative short story at the age of twelve and has remained under its spell ever since.

These few stories cover three closely related sub-genres: science fiction, fantasy and horror. In the White Garden murders are taking place nightly, but who is leaving the deep foot-prints in the flower beds? Twelve men are locked in the jury room, but thirteen emerge after their deliberations are over. In a call centre serving several worlds, the staff are less than helpful when things go wrong with a body-change holiday.

Three of the stories form a set piece under the sub-sub-genre title of 'Anglo-Saxon Tales'. This trilogy takes the reader back to a time when strange gods ruled the lives of men and elves were invisible creatures who caused mayhem among mortals.

Garry Kilworth has created a set of stories that lift readers out of their ordinary lives and place them in situations of nightmare and wonder, or out among far distant suns. Come inside and meet vampires, dragons, ghosts, aliens, weremen, people who walk on water, clones, ghouls and marvellous wolves with the secret of life written beneath their eyelids.

'Kilworth's stories are delightfully nuanced and carefully wrought.' *Publishers Weekly*

'A bony-handed clutch of short stories, addictive and hallucinatory.' *The Times*

'Here is a writer determined and well equipped to contribute to the shudder-count.' *The Guardian*

From reader reviews:

Michael Colburn:

What do you regarding book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this kind of The Fabulous Beast to read.

Michael Moore:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside the former life are hard to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take The Fabulous Beast as the daily resource information.

Gary Spengler:

People live in this new day time of lifestyle always make an effort to and must have the spare time or they will get wide range of stress from both daily life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read will be The Fabulous Beast.

Jerry Schooler:

Are you kind of stressful person, only have 10 or maybe 15 minute in your day to upgrading your mind expertise or thinking skill even analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short period of time to read it because this time you only find reserve that need more time to be go through. The Fabulous Beast can be your answer since it can be read by a person who have those short time problems.
