From Yale or Jail: How to Get a Job Kyler W. Frisbee

From Yale or Jail, How to Get a Job, is a collection of nearly a decade's worth of research, relationships, and experience in the field of talent:opportunity acquisition. Author, Kyler W. Frisbee is currently a Senior Software Engineering Recruiter at Google in Kirkland, WA. His private company, OptimalTechStaffing.com provides Senior Engineers for some of Seattle's Hottest Startups and most innovative Enterprises. Formal education often provides top-tier training in regards to job functions and tasks. However, the majority of graduates have found that they are unprepared to network, interview, and land the jobs they seek. This book provides readers with another level of training. The intention of this book is to provide insight to Students, Graduates, and those looking make a career move. Readers will learn what employers are looking for and how to differentiate themselves from their competition. There is far more to getting a job than simply being able to do it. This book shines a spotlight on what those missing elements are. "This priceless wisdom has been cast down from hundreds of phenomenal leaders. I have chosen a life of learning from passionate husbands, wives, and community leaders who also happen to be multi-millionaires. These men and women have instilled in me values that will impact generations to come. Regardless of whether you have a college degree or not, you can be as successful as you choose to be. Success is by choice, it is not by chance. From Yale or Jail is meant to relay the message that companies are NOT looking for drones to simply do what they are told. In this rapidly changing economy, company leaders are seeking employees and colleagues who have an understanding of the world around them. They are looking for people who can help them navigate their companies through these turbulent and often dangerous waters. They know that amid these changes lay opportunities to grow, expand, and innovate. Companies need creative thinkers who can see challenges, develop solutions, and innovate. These are the people who make the greatest impact. They enhance services, invent products, and empower others to succeed. The world needs YOU running on all cylinders... Are you ready to make a difference?" From the back cover
