George Tsypin

George Tsypin Opera Factory: Invisible City George Tsypin

Based in New York City—in the grit, steel girders, and graffiti of the metropolis—George Tsypin's Opera Factory creates visions of towering gods, underwater kingdoms, constructivist reveries, skyscraping towers, and earth-bound angels. Tsypin's award-winning designs are produced around the world.

This lavishly illustrated monograph introduces Tsypin's designs for twenty productions—including the musicals *Spider-Man: Turn Off the Dark* and *The Little Mermaid*; operas *Oedipus Rex* and the *Ring Cycle*; the opening ceremony of the 2014 Winter Olympics in Sochi; Cirque du Soleil's Oasis; and the Seaglass Carousel in Battery Park. Tsypin uses each project as a starting point for meditations on creativity and the fleeting nature of performance that will rivet designers, artists, performers, and anyone interested in the creative process.
