Round Joyce Sidman

If you look closely, you will find that the world is bursting, swelling, budding, and ripening with round things awaiting discovery—like eggs about to hatch, sunflowers stretching toward the sun, or planets slowly spinning together for billions of years.

Whimsical and imaginative, this poetic ode to all that is round and full of wonder by the Newbery Honor–winning author and poet Joyce Sidman, with illustrations by the two-time New York Best Illustrated Book award recipient Taeun Yoo, inspires curiosity and wonder for this (round) little earth we call home.
