As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this *The Vietnam War and Public Policy* can make you really feel more interested to read.
