An Amazon Bestseller! The Most Comprehensive Takedown of the Obama Presidency!

"If you want to know why the history books will have a dim view of Barack Obama, this is the book to read." --John Hawkins, *Right Wing News* and *Townhall.com*

As Barack Obama's presidential failures keep adding up, remembering them all can be a challenge. Matt Margolis and Mark Noonan have compiled everything you need to know about the presidency of Barack Obama (so far) into one book. Now you can easily find all the information that was ignored by the media and that Barack Obama would like you to forget.

Did Barack Obama really save this country from another Great Depression? Did he really improve our country's image around the world, or unite America? What about the new era of post-partisanship and government transparency? Did he really expand health coverage while lowering costs and cutting taxes?

The Worst President in History: The Legacy of Barack Obama compiles 200 inconvenient truths about Obama's presidency--the facts that will shape his legacy: His real record on the economy; the disaster that is Obamacare; his shocking abuses of taxpayer dollars; his bitterly divisive style of governing; his shameless usurping of the Constitution; his scandals and cover ups; his policy failures at home and abroad; the unprecedented expansion of government power... and more.

All of these facts are now at your fingertips in a single source. *The Worst President in History: The Legacy of Barack Obama* is your ultimate guide to Obama's real record - the record he'd like history to forget.
