Walks and Treks in the Maritime Alps: The Mercantour and Alpi Marittime Parks Gillian Price

Guidebook to walking and trekking in the Maritime Alps on the border of Italy and France, just north of Nice. It includes 18 graded day walks, on both the French and the Italian sides, ranging from 6km to 20km in length and suitable for a range of abilities. There are also 6 long treks, including a 5-day traverse of the Parc National du Mercantour and a 7-day traverse of the Parco Naturale delle Alpi Marittime.

Detailed route descriptions sit alongside colour maps, and there is full information about accommodation options down in the valleys and up in the mountains. Useful French-English and Italian-English glossaries of walking terminology are included, too.

Rising to over 3000m above the sun-drenched French Riviera, the Maritime Alps form the western edge of the mighty Alpine chain. Wildflower lovers will also appreciate the remarkable range of flowers, including many unique to the area. Worlds away from the hustle and bustle and crowds of the coast this is a marvellous area for novice walkers and seasoned long-distance trekkers alike.

Hey there Mr. and Mrs. active do you still doubt in which?

William Powers:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's

country. So , this Walks and Treks in the Maritime Alps: The Mercantour and Alpi Marittime Parks can make you experience more interested to read.
